### **JULY 25- FESTIVAL AFTER DARK**

**New for 2009!** The Little Mountain Heritage Festival Celebrates its 24<sup>th</sup> year by adding FESTIVAL AFTER DARK. Festival guests may stay past the usual closing time of 6pm when the traditional areas shut down or arrive at 7pm for the opening of the evening event. There will be twinkle lights in the trees, a cold beer and wine Bar featuring the new wine Frappe and two great bands. In the event barn, the sound is definitely up-tempo as the 12-piece Emperors of Swing take the stage and fill the dance floor. On the Heritage Stage, under the stars, will be Fat City, a trip back to the solid rock of the 50's and Funky sound of the 1970's revisited for dancing, singing along or just plain sipping and kicking back with friends. 7-10pm Admission \$5 / I.D. required for alcohol. Call 440-639-2945 or visit [www.LakeHistory.org](http://www.LakeHistory.org)
