# Little Leaders: A Day in the Life of James A. Garfield

**A joint program with Lawnfield: James A. Garfield National Historic Site and The Lake County History Center**

Young historians will begin the day at the Lake County History Center in Painesville Township. Children will experience Garfield's life as a young boy with a strong work ethic helping with chores in an authentic 1813 log cabin.

- Beat rugs
- Tend gardens
- Make beds
- Gather firewood
- Wash and hang clothes

Students will then attend a school one-room schoolhouse and complete a traditional, yet entertaining penmanship lesson with a quill and ink.

After eating their own bagged lunch in the Pioneer Town Square, children will travel to Lawnfield where they will discover what life was like for the Statesman and his family on their Mentor farm as an adult. Children will receive a guided tour of the Garfield home and a Junior Ranger Activity Book that will take them on a self-guided exploration of the old farmstead.

A Junior Ranger badge is earned upon completion.
